The Challenger 1960

Volume VI
Princeton High School
Princeton, North Carolina

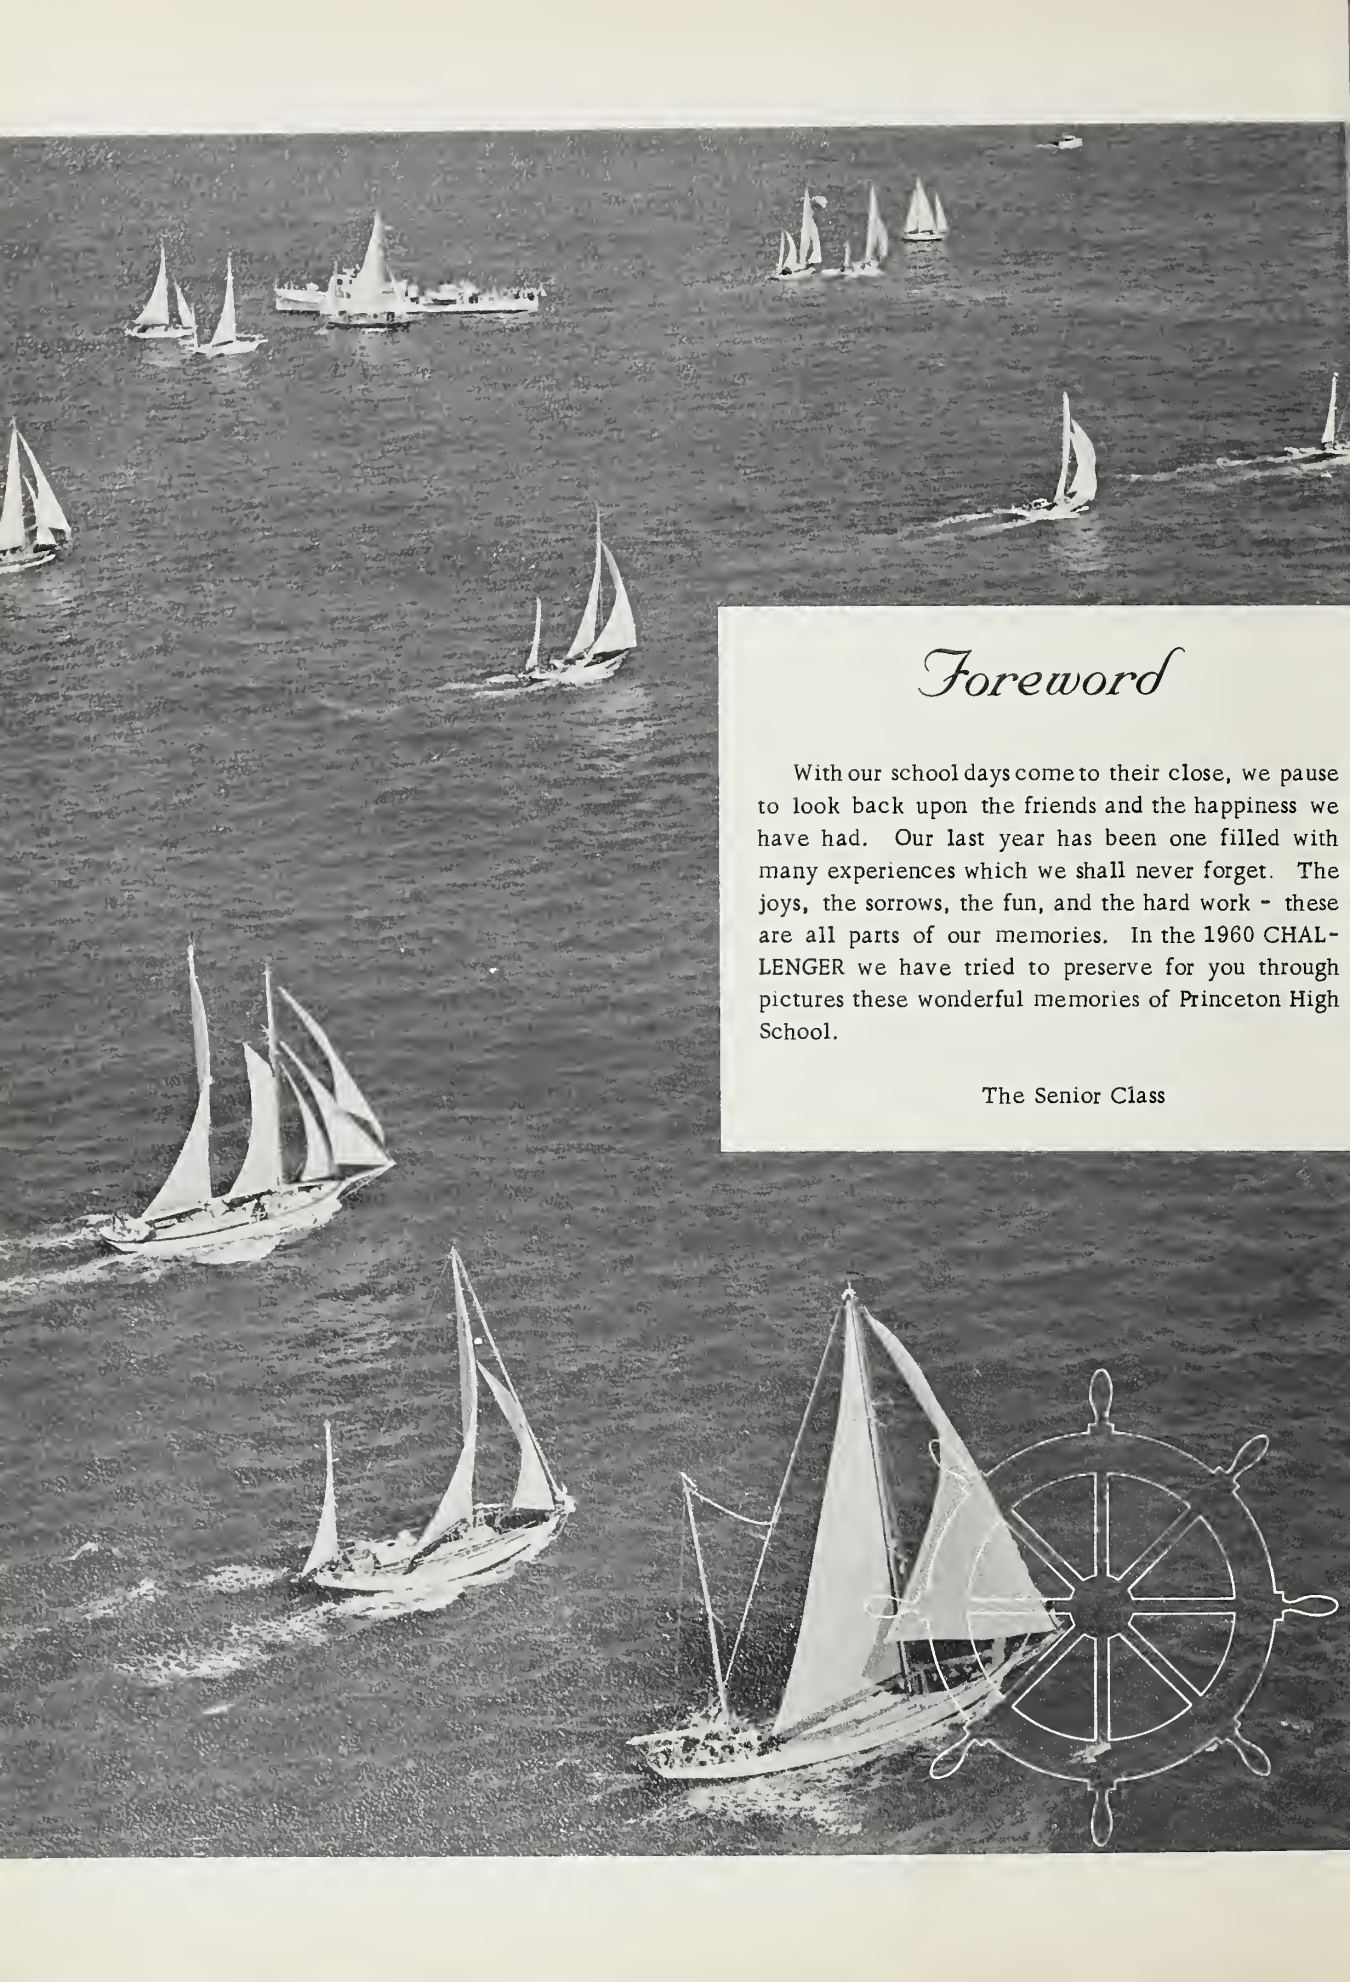

LYMAN J. WORTHINGTON

Twelve years ago when our class entered the first grade, Mr. L. J. Worthington came to Princeton High School as principal. Throughout all our school days, he has been the only principal we have known. During all these years he has been our understanding friend and wise counselor, whose primary interest has been the training of boys and girls into useful citizens. The Senior Class is proud to share the dedication of the 1960 CHALLENGER with Mr. Worthington.

MISS MYRTLE CAVINESS

With affection and respect we dedicate the 1960 CHALLENGER with Miss Myrtle Caviness, in gratitude for her years of service to Princeton High School. For her help and inspiration, we thank her.

Foreword

With our school days come to their close, we pause to look back upon the friends and the happiness we have had. Our last year has been one filled with many experiences which we shall never forget. The joys, the sorrows, the fun, and the hard work - these are all parts of our memories. In the 1960 CHALLENGER we have tried to preserve for you through pictures these wonderful memories of Princeton High School.
